About Hacks & Slacks Healthcare

Hacks & Slacks Healthcare was established in 2021 by Mr. Anil Kansal, with the valuable support of Mr. Archit Goyal & Mr. Vikram Gupta. From the very beginning, the company has been guided by a strong vision—to associate with reputed manufacturers and maintain a steadfast focus on quality-oriented work.

What started as a passionate initiative has grown into a trusted name in the healthcare sector. Our founders laid the foundation on values of integrity, reliability, and excellence, ensuring that every step we take reflects our commitment to delivering only the best. By working with respected manufacturers and adopting a quality-first approach, Hacks & Slacks Healthcare continues to create meaningful contributions to the industry, offering safe, effective, and innovative solutions for the well-being of society.

We offer a comprehensive portfolio across multiple dosage forms, including Creams, Ointments, Gels, Intimate Wash, Syrups, Bodywash, Lotions, Shampoos, Serums, Tablets, Capsules, Facewash, Dusting Powder & Soaps. Our solutions cover the full spectrum of skincare needs, delivering quality and innovation at every stage. We currently offer a premium basket of over 340 products, with many more in the pipeline.

At Hacks & Slacks, we collaborate with some of the most reputable and quality-driven manufacturers in the pharmaceutical and skincare industry to ensure the highest standards in product development and delivery. Our trusted manufacturing partners include: Om Sai Pharma, TM Thakore, Nanz Med Life Sciences, Theon Pharma, Curetech Skin Care, Precise Pharma, Percos India, Akums Drugs, Swiss Garnier, Aurochem, Exemed Pharmaceuticals, Windlas Biotech, Synokem Pharmaceuticals and White Eagle Laboratories. These partnerships enable us to consistently bring premium, effective, and safe skincare and derma products to the market.
